

Annual day Function of GSSS, Deorali

Hotel Management streams of GSSS, Deorali participated in exhibition of food products during annual day function on 11th October 2010. Honourable HRDD Minister, Mr. N. K. Pradhan was the chief guest of the programme and along with him Mr. K. N. Topgay, Mayor of Gangtok had also attended the programme. The guests have praised the students for their skills and interest in the field.

PTC set up by Tourism stream of GSSS, Sang

As a part of activity under production cum training centre (PTC) the students of Sang (Tourism) prepared various handcraft products like booklets, tray, penholders, wall hangings, model of traditional house, candle stand and clips etc in an exhibition in the school campus

held during 11th 17th June 2011. The activity under tourism, in such way may serve as the means of livelihood for handicraft producer in rural area. The prime objective of organizing such activity under PTC is to develop entrepreneurship skills and knowledge among vocational students. It has dual benefit as it helps to nurture and cultivate one's own traditional craft practice. On the other hand it also helps to exhibit ones skill and knowledge to a means of livelihood option thereby promoting self employment. Vocational students can utilize such knowledge for earning livelihood and getting self-employed.

World Tourism Day Celebration

World Tourism Day was celebrated at Govt. Sr.Sec. School, Rumtek on 27th September 2010. Painting competition, Quiz competition, Essay writing on Tourism related topics were organized at the school. At the Prize distribution

ceremony the principal of the school Mrs. Asha Khatri, apprised the students about the prospects and avenues of Tourism stream including the future avenues in tourism industry in Sikkim. Under the initiative taken by Mr. Noni Gopal Borthakur, Faculty, TTM of the school the students took part active role in successful conduction of the program. Mr. Khemraj Rai, Vice Principal of the school needs special mention for his whole hearted support in overall conduction of the program.

We are going to start Student's column, therefore all the students are invited to send their articles/news items related to VE to the following address: Ms. Dikila Bhutia, SIBin Group, Near Coir Bhawan, Indira By Pass Road, Gangtok, East Sikkim mail id: dikila@sibingroup.com, hasib@sibingroup.com

Gyalsing students prepare ID Cards for school students

Under PTC activity the IT students of Gyalsing designed the Identity Card of 600 students of the school. The activity completed on 6th September 2010 was designed using Coral Draw software.

Earlier the same bunch of students of IT stream had designed a PowerPoint presentation in eight different topics for Inter House Seminar competition. They used internet for conducting the programme.

EDUCATIONAL TOUR TO HOTEL MAYFAIR SPA & RESORTS BY VE STUDENTS

On 28th October 2010, 29 students of Hotel Management stream, Dikling, Ranipool and Food Service Management stream of GSSS, Singtam went for an educational tour to Hotel Mayfair Spa & Resort, Gangtok. The students saw the facilities and house keeping management of the unique resort perched in this part of the country and the best in Sikkim ensembling all the comfort and luxuries a traveler can long for. It has 63 well appointed rooms and suites. Few of the suites have temperature controlled dip pools and sundecks. Mayfair Gangtok is contemplating to house the first onshore CASINO in the country subject to approval by the Sikkim Govt. The visit was a golden opportunity for the students of Hotel Management and Food Service Management where they got chance to see things practically on subject related topics and services especially on Front Office and House Keeping operations.

Hotel Management students visit Kalimpong

On 8th October 2010, the students of Hotel Management stream of Tashiding GSSS made an educational tour to Kalimpong under the guidance of their faculty. They were taken to places like Dello Tourist Lodge, Hotel Silver Oaks, Classic Resort, Science city and Good

Shepherd College. The students had gained knowledge on various aspects of their course like identification of different equipments, services of different items, table lay-outs, mis-en-scene etc.

On The Job Training (OJT) of Vocational students

The purpose of the On The Job Training programme is to provide exposure for the students on practical fields. Through this exposure, students will have better understanding of their courses vis a vis its practical application at field/industry level.

The OJT programme was conducted during the month of November and December 2010. The **OJT** is an important component of the vocational course and is mandatory for all the students to undergo as per the guidelines of CBSE curriculum. During the training the students were attached to different line departments like Dept of IT, Animal Husbandry, HCCDD, SNT, RMDD, different hotels and resorts, tour operators under TAAS and some private organization to provide required training as per their course relevance.

Students during On the Job Training

Participation of Health Care Science students in exhibition on Annual Day function

On the occasion of Annual Day Function of Deorali GSSS, held on 10th October 2010 the students of Health Care Science displayed different charts, posters and models related to health and hygiene at the exhibition. Health Care Science is a new stream introduced only in the year 2010 under Vocational Education Programme in Sikkim. During the exhibition the students highlighted the scope of the course and prepared a model on Community Health Care Centre under the guidance of the concerned faculty.
